**NOTICE OF REGISTRATION AND CHANGE OF CORPORATE NAME**

On October 4, 2004, BNJ Charter Company, L.L.C. (BNJC), a certificated air carrier,<sup>1</sup> requested that the Department register its new corporate name "NetJets Large Aircraft Company, L.L.C." and reissue its certificates to reflect this name change.<sup>2</sup>

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative name must first register that name with the Department. The rule further states that the Department may register such name after the carrier gives notification to similarly named carriers of the proposed use of the name. There are no other similarly named air carriers.

Under these circumstances, on October 19, 2004, we orally acknowledged the registration and change of BNJ Charter Company's corporate name to "NetJets Large Aircraft Company, L.L.C." This notice serves as written confirmation of our actions.

Separately, in Dockets OST-2004-18594 and 2004-18595, BNJC has requested a further amendment to its certificate to remove a condition with respect to its ownership. At such time as we act on that request, we will reissue BNJC's certificates in its new name.

Dated at Washington, D.C, October 21, 2004

<sup>2</sup> In support of its request, BNJC submitted a revised certificate of insurance form and a copy of the Montreal Agreement reflecting the use of the NetJets Large Aircraft Company corporate name.
